Professional Profile

A dedicated and passionate games programmer with a Bachelor of Science Degree in Computer Games Application Development from Abertay University. Proficient in C++, C#, Python, and experienced with Unity and Unreal Engine 5. Known for problem-solving skills, creativity, and a collaborative mindset. Seeking a challenging role in the video game industry to leverage my programming skills and contribute to innovative game development projects.

Skills

- **Programming Languages:** C++, C#, Python
 - **Game Engines:** Unity, Unreal Engine 5
 - **Problem-Solving:** Creative solutions for bugs, glitches, and logic issues
 - **Collaboration:** Team-oriented with experience working with artists and programmers
 - **Adaptability:** Quick to learn new programming techniques and languages
 - **Time Management:** Committed to meeting deadlines
 - **Independence:** Capable of working autonomously and remotely
 - **Communication:** Strong interpersonal and customer service skills
-
